Directions

Directions from the Philadelphia Airport or the Walt Whitman Bridge

From the airport, follow the signs to Interstate 95 North.

Take the Walt Whitman Bridge to New Jersey. Stay in right lane and take the first exit ramp. There are several exits off this ramp- go to the last one - Route 168 also known as the Black Horse Pike.

On 168, get to the left lane, and make a LEFT at the first full traffic light on to Nicholson Road. (This is the first opportunity to make a LEFT.)

Stay on this road for about 1 mile. Then make a RIGHT at the first traffic light on to Route 30, known as the White Horse Pike.

Stay on the White Horse Pike for several miles. Make a LEFT on Kings Highway (landmark: CAPAS costumes on the left; gas station on right.)

This is a traffic light intersection.

Travel about 2 miles to the first traffic light and make a LEFT. We are on the first block, left side - 44 West End (a gray and cream Victorian with a B&B banner). Go directly to the parking lot in the rear and use the rear entrance to the Inn.

From Points South or I95 / I295

From Interstate 95 North, take the Delaware Memorial Bridge to Interstate 295 North.

Take exit 29B, this will take you to route 30 (also known as the White Horse Pike). You will be on I295 for about 30 minutes.

Make a RIGHT at the first light (you will pass a carpet store on the right). You are now on Temporary 41 (also known as Highland Avenue and Chews Landing Road in Haddonfield).

At the first light, make a RIGHT and a LEFT in the same intersection. The cross street is Kings Highway. Chews Landing Road ends and West End Avenue begins on the other side of Kings Highway.

We are on the first block on the left side (44 West End Avenue). It is painted gray and there is a banner with B&B on it. (When you exit I295 you are approximately 2 miles away). Go directly into the parking lot in the rear.

Directions from Points North of the NJ Tpk.

Take the New Jersey Turnpike south to the exit for Interstate 195 towards Trenton. Follow I195 to Interstate 295 south to exit 30, Warwick Road. You will be on I195 briefly and I295 for approximately 35 miles. Make a LEFT on Warwick Road from the exit.

Make a LEFT at the first traffic light on to Kings Highway (Route 41). Warwick Road dead-ends at this intersection. You will be on Warwick Road for 1.5 miles.

Make a RIGHT at the next light on to West End Avenue.

Directions from Points West or the Ben Franklin Bridge

Take Interstate 676 East to the Benjamin Franklin Bridge.

Follow signs to Route 70 East. From the bridge to Route 70 is approximately 3 miles.

Make a right onto Cuthbert Boulevard. It is well marked, but there is not a traffic light there. Stay on Cuthbert for several miles. Make a LEFT onto Park Boulevard. Park Boulevard has a traffic light and is the next traffic light after Haddon Avenue (Kentucky Fried Chicken on the right).

Park Boulevard becomes West End Avenue in Haddonfield. The Inn is on the right side of the street between Euclid Avenue and Kings Highway. It is a gray and cream Victorian, marked with a B&B banner. Go to parking lot in the rear and enter.
